**To register for this session,
visit: www.cl-p.com/register**

**Presenting our topic:
NEWPORT VENTURES**

Learn the major differences in the 2009 IECC:

- Mandatory testing of building envelope leakage or visual inspection based on a checklist
- Mandatory pressure testing of duct systems for leakage
- 50% of all lamps must be high efficiency
- Engage in case specific exercises learning how to recognize compliant and non-compliant building assemblies
